

# GLACIER TWINS FUNDRAISING GOALS

## *Player Fee Deadline is June 10<sup>st</sup>*

The Glacier Twins American Legion Baseball program turns no player away because of financial difficulties. The Glacier Twins raise most of their operating funds through various year-round activities and fundraisers. The Twins organization sets a \$300 **non-refundable** Registration Fee plus a \$900 Fundraising Goal for each player or around half of what some programs charge. The Twins' operating expense budget each year exceeds \$135,000. Player fees account for only a little more than 25% in helping to reach our budget goal. The responsibility for raising the balance rests with the Twins Board and our many supporters of Glacier Twins Baseball.

**A non-refundable \$300 Player Registration Fee Payment will be required prior to a player participating in any game or practice.** The remaining \$900 Fundraising Credit/Goal can be easily fulfilled in several ways as noted below. If these fees/goals are not met, parents/guardians/players will be held responsible for paying the outstanding amount before a player is allowed to participate.

*Various Fundraising opportunities to earn the \$900 Fundraising Credit/Goal are:*

- ✓ **Garland Hanging:** Players, coaches, board members and parents hang Christmas garland on local area businesses and homes during November and December. Players are credited \$100 per day. For example, work four (4) days and earn \$400 towards your goal. Other credits include providing ladders, wire cutters...and a parent!
- ✓ **Garland Take-Down:** Take down of Christmas garland during January and February. Players are credited \$80 per day. Work two (2) days and earn \$160 more towards your goal.
- ✓ **Twins Season Passes:** Sell at least 4 Family passes or more for a total of \$400. A Season Pass will entitle the holder admission to all home games including any invitational tournaments. This is approximately 40-50 games. Rates for season passes are: Season Pass \$50. Players receive credit for the full price of each pass sold.
- ✓ **Manual Labor for jobs around the community or at Memorial Field:** Credit is face value of payments made to the Twins organization on behalf of a player, or TBDhr for special assignments at the field outside of regular field care and maintenance. Jobs are generally assigned to player(s) on a rotating basis starting with players with the largest deficit in the fundraising goal, and to players with some level of experience in the area of labor needed.
