The 2025 baseball season will be upon us before we know it! The Board and Coaches have been busy putting together plans for the upcoming season.

All players participating in Twins Baseball will need to have a physical prior to participation. A high school sports physical will be accepted.. Players must have a passport or passport card since we will have games scheduled in Canada.

A non-refundable payment of \$300 (Player Registration Fee) is due by spring parents meeting February TBD. Players are expected to earn an additional \$900 in credits or cash by June 10. Refer to the page entitled **Fundraising Goals for examples of how easily this can be accomplished.** Assistance Scholarships are available to those players who may find the fee structure a challenge. Please contact your coach or any Board member if you have any questions about these scholarships.

With an annual budget of close to \$135,000, there is a required commitment of both time and money on the part of everyone involved with the Glacier Twins. Player fees and fundraisers help to pay for the costs associated with playing baseball, maintaining our field and being able to travel to games and tournaments that require overnight stays. Parents and family members are responsible for helping and/or participating at home games by selling tickets at the gate, announcing, operating the scoreboard, field prep at double-headers, and assisting at our tournaments.. Fundraising obligations include obtaining **new** fence sign advertisers and major sponsors (which go toward player credits). We use SignUpGenius to allow parents to plan their volunteering. Links will be made via email as schedules are completed.

Our sign-ups begin now, so if you know someone who would like to play for the Glacier Twins, please have them contact a Coach or General Manager.

We look forward to an exciting and rewarding 2025 Glacier Twins season!
